The screenshot shows the IBM ServerGuide application window. On the left is a 'Task List' with the following items: Localization (checked), License Agreement (checked), Welcome (checked), Select Running Mode (checked), Set Date and Time (selected with a right-pointing arrow), Configure RAID Adapters, Create Partition, View Summary Report, Operating System Setup, and Exit ServerGuide. The main area is titled 'Set Date and Time' and contains the following fields:

- Date:** Month (4), Day (21), Year (2013)
- Time:** Twelve-hour clock, Twenty-four hour clock
- Hour:** 2, **Minute:** 7, **Second:** 26, AM, PM

Below the fields is a **Note:** 'The service processor in your server has its own clock. After the NOS is installed, use your IBM systems-management software to set the service processor clock.'

At the bottom right are three buttons: '<Back', 'Next->', and 'Exit'.
